**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

All providers need to be competitive to prevent one or two companies from cornering the market on internet and telephone services. I found that when there is only one telephone & internet provider they tend to abuse their customers financially and get by with it because there is no competition.
